LOCAL UPDATES

TOWN AFFAIRS

- Supervisor Ulatowski toured Bayberry with June Baycura and members of the Town Affairs committee pointing out areas of concern. Some concerns were the poor drainage on many of the streets due in part to the mode of the paving of the streets, the intersection of Huckleberry and Blueberry has been an area for confusion for drivers and the placement of the crosswalk on Blackberry to Bayberry Plaza. The Supervisor was asked to have the stop sign at the Deerfield/Forestbrook intersection to be replaced and asked for the placement of a "Children at Play" sign at the green area on Bayberry Circle with the increase in young

children in the neighborhood. The Supervisor was very receptive and aware of some of these problems, and was working with the Highway Department to make improvements.

- The Michael's Farm development on Morgan Road south of Fairway East has come to the Board with revisions in the plan. The County has put a temporary moratorium on new projects north of the railroad tracks on Morgan Road until the Oak Orchard Sewage Treatment Plant problems have been resolved.

SCHOOL AFFAIRS

Board of Education (BOE)

- This year 2013-2014 Liverpool City School District (LCSD) faces a \$9 million gap that would require cutbacks equivalent to 100 positions. Dr. Johns insists that the community take this money from reserves to cover such cost, before implementing cutbacks that will limit students' opportunities. A video of the Superintendent's Budget Proposal can be found at: www.liverpool.k12.ny.us The adopted budget will be presented to the community for a vote on May 21 from 6pm-9pm at LHS gymnasium. Should you wish to voice your concerns, a public hearing will be held on May 9 at 6:30pm.
- The BOE is currently accepting nominating petitions for three open board seats. These board seats are currently held by: Donald Cook, John J. Kennedy and David Watson. Petition forms to nominate candidates for election to the BOE will be available in the Superintendent's Office, located in room 3 of the District Office. Each nominating petition must state the name and residence of the candidate and be signed by at least 44 qualified voters of the school district. For additional information contact: Superintendent's Office at: [315-622-7125](tel:315-622-7125).
